

Gaurav Sundaram
President, ProKonsul Consulting

Gaurav Sundaram is the President of ProKonsul Consulting.

ProKonsul Consulting is a management consulting firm with domain expertise in enterprise business travel. It optimizes the business travel lifecycle of its clients. ProKonsul Consulting was established in 2014 & is the pre-eminent business travel expert in India & Asia. <https://www.prokonsulconsulting.com>

Gaurav brings 3 decades of leadership experience in the global business travel, technology & consulting domains. His span of experience includes significant success in managing complex businesses, establishing successful startup's, strategic multinational business development & account management.

Till May 2014, he was Country Director India for Egencia, following which he established ProKonsul.

Gaurav has had many path breaking first's in his career.

He introduced fully integrated enterprise self booking technology to the corporate travel industry in India, in 2009. 100% outsourced customer service delivery through 24x7 external contact center partners was another industry first in India, that he was responsible for.

He has been presented with multiple awards through his professional career.

Gaurav is a certified Global Travel Professional™ (GTP) & Corporate Travel Expert™ (CTE). He is a recognized industry expert on India & Asia and speaks frequently on Managed Business Travel & Technology.

He is directly engaged with professional education, mentorship initiatives & industry forums to develop the science of business travel in India & Asia.
